Alumni,

Thank you for your participation in the first alumni-based recruitment campaign. After completing this form, please print and mail it to the address below. I will contact you to plan the activities for the prospect's visit to FarmHouse and MSU.

This program allows us to systematically manage referrals to FarmHouse at the alumni level without having to directly contact the current rush chairman at the chapter house. This is a new initiative by the Mississippi FarmHouse Association so I welcome your comments and suggestions.

Fraternally,
Heath Childs
