BULLDOG TURF FIELD DAY AND TURF EQUIPMENT EXPO

Friday, September 12, 2008
MSU North Farm

Bulldog Turf Field Day and Turf Equipment Expo
Friday, September 12, 2008 MSU North Farm

This is a must attend event for all individuals interested in turfgrass management. This includes golf course superintendents and employees; park and recreation directors and employees; school principals, coaches, and grounds maintenance personnel; professional lawn care specialists; and institutional grounds managers and personnel. In short anyone who is interested or involved in the care of turfgrass. Before Lunch our vendors and sponsors will be given a chance to briefly address the audience and tell us about the latest and greatest turf products. The afternoon will be dedicated to equipment demonstration.
