

Doctor of Philosophy in Agricultural Science with a concentration in Agricultural and Extension Education

Program Requirements

The minimum requirement for the Doctor of Philosophy (Ph.D.) degree is the completion of 90 semester hours of graduate credit on an approved program of study above the bachelor's degree.

Program Requirements

- ❖ 24-36 hours of graduate credit in Agricultural and Extension Education, (AIS 8593 is required)
- ❖ 23-26 graduate credits in College of Education core courses
- ❖ 15 to 18 graduate credits in a minor or supporting area
- ❖ 11 to 13 hours of elective credits
- ❖ 20 semester hours of research/dissertation.

Students must pass a written and an oral comprehensive examination in both the major and minor/supporting area. Students must also pass the final dissertation examination. The student's graduate committee supervises the dissertation and examinations.
